

AMENDMENT 2

TO

A g r e e m e n t

on congestion management on bidding zone border Bulgaria-Serbia

between

ELEKTROENERGIEN SISTEMEN OPERATOR EAD

1618 Sofia, 201 Tsar Boris 111 blvd.

hereinafter „ESO”,

and

EMS AD Beograd

Kneza Miloša 11

11000 Beograd – Serbia

-hereinafter „EMS “,

(both of which are hereinafter referred to as the “Parties”),

Statement

The Parties concur that they have concluded the Agreement on congestion management on bidding zone border Bulgaria-Serbia, signed by EMS on 27th November 2018, under no: 503-00-UGO-58/2018-004, and by ESO on 21.12.2018, under no. 0033-ЦДУ/21.12.2018 and Amendment 1 to this Agreement signed by EMS on 5th December 2019., under no: 503-00-UGO-35/2019-006, and by ESO on 18.12.2019, under no. 0033-ЦДУ/18.12.2019., for the purpose of organizing transparent allocation of the available transmission capacities at the bidding zone border Bulgaria – Serbia and assignment of Physical Transmission Rights to the market participants in a transparent and non-discriminatory manner (hereinafter: Agreement).

The Parties agree, in accordance with Article X of the Agreement, to approach the conclusion of this Amendment 2.

Article 1.

By this Amendment 2, Parties agree to replace entirely the existing Annex ./2 Rules for explicit Daily Capacity Allocation on Bidding Zone border Bulgaria-Serbia which constitutes the integral part of the Agreement, by new Annex ./2.1 Rules for explicit Daily Capacity Allocation on Bidding Zone border Bulgaria-Serbia, that is attached to this Amendment 2 and which constitutes its integral part.

Article 2.

By this Amendment 2, Parties agree to replace entirely the existing Annex ./3 Rules for the allocation of the Cross Zonal Intraday Capacity between bidding zones of ELEKTROENERGIEN SISTEMEN OPERATOR EAD (“ESO”) and EMS AD Beograd (“EMS”) which constitutes the integral part of the Agreement, by new Annex ./3.1 Rules for the allocation of the Cross Zonal Intraday Capacity between bidding zones of ELEKTROENERGIEN SISTEMEN OPERATOR EAD (“ESO”) and EMS AD Beograd (“EMS”), that is attached to this Amendment 2 and which constitutes its integral part.

Article 3.

All provisions of the Agreement, unless they are not contrary to the provisions of this Amendment 2, remain unchanged and in force.

Article 4.

This Amendment 2 shall enter into force on the day of the signing by both Parties and shall be applied for the purpose of capacity allocation starting from 1st January 2021 onwards.

On the day of signing of this Amendment 2, Annex ./2.1 Rules for explicit Daily Capacity Allocation on Bidding Zone border Bulgaria – Serbia and Annex ./3.1 Rules for the allocation of the Cross Zonal Intraday Capacity between bidding zones of ELEKTROENERGIEN SISTEMEN OPERATOR EAD (“ESO”) and EMS AD Beograd (“EMS”), that are attached to this Amendment 2, shall become the integral part of the Agreement, and shall be applied for the purpose of capacity allocation starting from 1st January 2021 onwards.
